APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to existing rights. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. It is also understood that this right must allow for a reasonable lowering of the static water level. This well shall be equipped with a two (2) inch opening for measuring depth to water. If the well is flowing, a valve must be installed and maintained to prevent waste. A substantial weir or other type of measuring device must be installed and measurements of water use kept. This source is located within an area designated by the State Engineer, pursuant to NRS 534.030. The State retains the right to regulate the use of the water herein granted at any and all times.

No perforations are to be placed in the top 100 feet of casing.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.0 cubic feet per second, but not to exceed a yearly duty of 4.0 acre-feet per acre of land irrigated from any and/or all sources.

Actual construction work shall begin on or before July 16, 1979

Proof of commencement of work shall be filed before August 16, 1979

Work must be prosecuted with reasonable diligence and be completed on or before July 16, 1980

Proof of completion of work shall be filed before August 16, 1980

Application of water to beneficial use shall be made on or before July 16, 1981

Proof of the application of water to beneficial use shall be filed on or before August 16, 1981

Map in support of proof of beneficial use shall be filed on or before August 16, 1981

Commencement of work filed SEP 25 1980

Completion of work filed SEP 10 1980

Proof of beneficial use filed AUG 12 1982

Cultural map filed AUG 12 1982

Certificate No. 10707 Issued JUN 22 1983
